

Welcome to Provand's Lordship Visual Storyboard

This is Provand's Lordship.

Come and have a look inside. A gallery assistant can help you if you ask.

Staff all wear a purple 'g' logo.

You can see old rooms and furniture. There are objects in cases.

There is a small low door out to St Nicholas Garden.

Staff can open a larger wheelchair-accessible door if needed.

You can sit and watch a video about the rooms upstairs.

There is a sloping floor and uneven steps. Some of the doors are small and low. The building is very old so there can be a strong smell.

This is upstairs. There is a life-size model of a man sitting in a chair. There are paintings on the walls and places to sit. Children can do activity sheets here.

This is St Nicholas Garden.

There are cobble stones and plants in the middle of the garden.

There is a smooth surface around the edge of the garden.

There is an exit from the garden onto the street.

There are toilets across the road in St Mungo Museum of Religious Life and Art.

The fire alarm is a bell ringing. Museum staff will guide you out of the building through a fire exit.

Do not go back inside the building unless a member of museum staff tells you that it is safe.

Thank you and see you soon.
